Dear Sirs,

Application for Acceptance of Flexible Piping System

I refer to my interim reply of 16.1.2004 on the captioned subject.

Your submitted documents have been studied. Please be advised that the control on the sale and use of underground flexible piping system is outside the purview of this Department. As such, product approval from this Department is not required. Nevertheless, any equipment used in hazardous areas shall comply with the related licensing requirements.

Should you have any queries on this matter, please feel free to contact Mr. LEE Kin-chung at 2733 7557.

Yours faithfully,

(TAM Lung-cheung)

for Director of Fire Services
